

To confirm.

Re: \*R-WALL Formwork Systems – R-WALL Insulating Concrete Formwork (ICF) System

\*This system is currently acceptable to ICW, providing it is installed in accordance with the manufacturer's constructive details & guidelines, is acceptable to the Structural Engineer for the specific project & the proposed build make-up meets the latest building regulations.

Please note in relation to underwriting, for any projects which will be using this system we will require the following to be additionally provided;

- U99 – R-WALL latest third-party certification (e.g. BBA certificate) & specification details for the system
- U26 – Structural Engineer design (drawings & calculations) for the project

Thanks,

ICW Technical Department |
